Some of the calls include: business checks, controlled burned checks, stolen credit cards, traffic stops, livestock loose, debris in road way, suspicious person, civil process, domestic abuse, burglary, open 911 line, animal bite, assist motorist, warrant attempt, welfare checks, fire & EMS calls, OVWI (Operating a Vehicle While under the Influence), disorderly person, electronic monitoring and fire alarm.

Town Received Recycling Grant

The Town of Darien received a \$2,530.90 recycling grant from the State of Wisconsin. The Town uses this money to provide free recycling bins for the town residents, picking up trash along the roadside, and brush collection. This money is generated from a report the Town Clerk prepares and compares the amounts of recyclable in tons that is collected to our current population; which is 1,695.

Are You Planning An Event?

Please make sure your party or sale signs are not in the Town's right of way. We appreciate your cooperation.

Noxious Weeds

What are Noxious Weeds? A Noxious weed is a plant that has been designated by the Town of Darien as one damaging to agricultural and/or horticultural crops. Noxious weeds include: Canada Thistle, Bull Thistle, Leafy Spurge and Field Bindweed (Creeping Jenny), Wild Hemp, English Charlich or Wild Mustard, Goatsbeard, and Harmful Barberry. The above named weeds must be destroyed at such time and in such manner as shall effectively prevent them from bearing seed or spreading to adjoining property as required by the Wisconsin Statutes. Since we have had a wet spring a lot of these weeds are appearing throughout the Town. Failure to destroy these weeds will result in Weed Commissioner causing such weeds to be destroyed and the cost thereof levied as a special tax against the property pursuant Wisconsin Statutes Section 6 66.0407.

Possible Changes to Landlord Licensing Ordinance

The Village Plan Commission and the Village Board are reviewing the ordinances that require landlords to register with the Village and have their rental properties inspected annually. The current ordinance requires those property owners with buildings that have two or more units to be inspected. The proposed ordinance requires that all rental units in the Village be inspected. The Village Plan Commission will review this and other possible changes to the ordinance at the meeting on Thursday, July 9, 2015 at 6:00 p.m. at Darien Village Hall. The Village Board may then review and possibly take action on the ordinance amendments at the July 20, 2015 meeting, which starts at 7:00 p.m. at Darien Village Hall. The public is welcome to attend these meetings.

Road Construction Update

The reconstruction of Wisconsin Street will begin on July 7th. Please recall that Wisconsin Street, from Beloit Street just past Fremont Street, will be open to local traffic; however those visiting Village Hall and other businesses and residences on Wisconsin Street will need to find alternate parking during construction. The planned completion date of the project is September 1st.

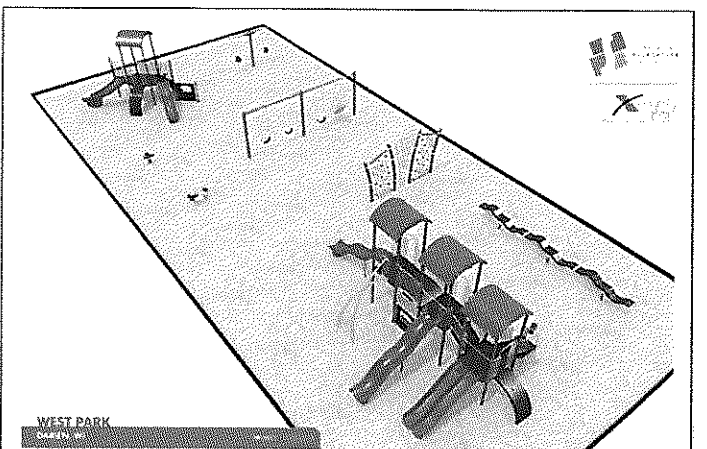

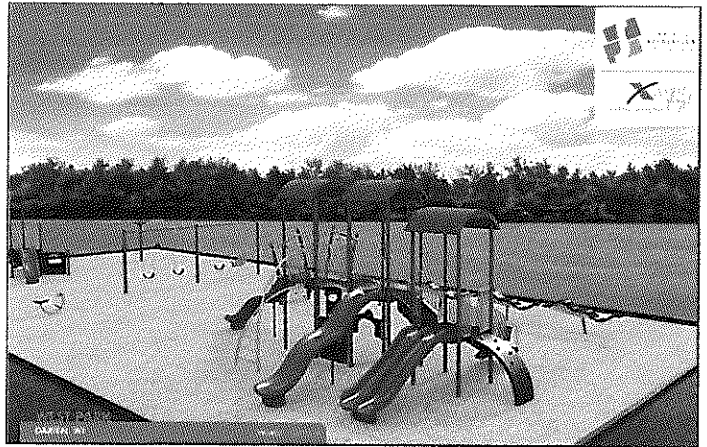

As residents on Oak Ridge Drive, east of Danielson Drive, know well, the street was not completed by the developer when constructed. The Village has decided to complete this street, which includes spot base repair, a surface coat, and storm sewer completion. On June 15th, the Village Board voted to hire engineering company Kapur & Associates to bid the project out to construction companies. The project is expected to be completed this fall.

West Park Playground Equipment Replacement Project

Starting the week of July 13th, the playground equipment at West Park will be removed and new equipment will be installed in the following weeks. The new equipment will be ADA-compliant and completely accessible. This project is possible through joint efforts between the Village and Town.

DARIEN PUBLIC LIBRARY

47 Park Street ... Next Door to Darien Elementary School

2015 IS LOADED WITH FREE SUMMER FUN AT THE DARIEN LIBRARY

All kids up to age 18 are invited to the Darien Library this summer for our annual summer reading program and its related activities. Our theme this year is "Every Hero has A Story." Registration for our 2015 Summer Reading Program is now in progress. Come in and join the fun! Please ask to receive your free packet of information which will outline all of the activities that are available at the Darien Library this summer.

We have books, prizes, performers, classes and more. Families with very young children can be a part of our summer reading program by reading to their small children if they are too young to read. The rules for our reading program are simple. Kids can read whatever they want, and can keep track of their hours. They can then enter their names in drawings for each hour that they read for great prizes. At the end of the program, on Thursday, August 6th at noon, all readers and their families are invited to the library for a free Awards Program and Luncheon. All readers who attend will receive a free prize and a free book.

We will be offering some wonderful free Terrific Tuesday craft classes for kids of all ages, and free Monday evening family shows as well.

FREE MONDAY EVENING FAMILY PROGRAMS

We're excited about the five free family programs that we will be offering this summer. Please come and join us and enjoy the following programs:

WE HAVE A NEW DVD - "ON THE TRAIL OF THE ICE AGE"

The Darien Library has a new non-fiction DVD called "*Mammoths and Moraines*" which highlights the Ice Age Trail. This trail is a local part of the National Trails System that includes 10 other National Scenic Trails. It follows the edge of the Laurentide Ice Sheet, a half mile thick glacier that covered Wisconsin and receded 12,000 years ago. The DVD explains how the Ice Age Trail not only interprets and protects Wisconsin's glacial legacy, it also provides opportunities for outdoor recreation in every season.

1,000 BOOKS BEFORE KINDERGARTEN PROGRAM

The Darien Library is now a part of the "1,000 Books before Kindergarten" program. Reading to your young children is one of the best things that parents can do for their children. The concept of this program is simple, the rewards are priceless. Read a book (any book) to your newborn, infant, or your pre-school child. If you read just one book a night, you will have read about 365 books in a year. That adds up to 1,095 books in three years! Give your small children a head start to a productive life by reading to them!

FREE WIRELESS ACCESS

Did you know that The Darien Library has free wireless access? Feel free to bring in your device and connect! The library also has ten computers that can be used by the public at no charge.

ON-GOING IN LIBRARY BOOK SALE

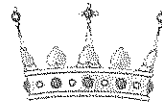

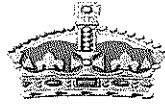

Summer is here! Now is the time to stock up on your summer "beach reads." Please stop in to browse in our book sale. This sale is always in progress at the library and features different materials all of the time. We sell children's books for 25 cents, adult paperback books for 50 cents, adult hardcover books for \$1.00, and DVDs for \$2.00.

SOME SIMPLE THINGS TO DO THIS SUMMER

"Buy a bird feeder and hang it so that you can see it from your kitchen window. We judge the song of the bird not by its musical quality nor even by its creativeness, but by its effect on the human spirit". – Len Eiserer

"Stop and watch a farmer plowing a field. To watch the corn grow or the blossoms set, to draw hard breath over the ploughshare or spade, to read, to think, to pray, are the things that make men happy." – John Ruskin

"Visit a pet store every once in a while and watch the children watch the animals. All animals except man know that the ultimate joy of life is to enjoy it." – Samuel Butler
