## **Rehabilitation of US 14 to begin in Walworth County**

On May 16, the Wisconsin Department of Transportation (WisDOT) is scheduled to start the rehabilitation of approximately three miles of US 14, between I-43 and WIS 11, in Walworth County.

### **Improvements**

- Rehabilitating approximately three miles of roadway
- Replacing the bridge over Turtle Creek
- Bypass lanes will be upgraded at the intersections of School Section Road and Christie Road
- Realignment of County C at the US 14 intersection, along with added bypass lane
- Dedicated right turn lanes added at the Creek Road intersection
- Left turn lanes added at Foundry Road
- Drainage improvements

### **Traffic Impacts**

- US 14 will be closed to through traffic within the project limits.
  - Access for local businesses, residents and emergency vehicles will be maintained
- With the replacement of the bridge over Turtle Creek, US 14 will require a full closure at the bridge when structure work begins.

### **Signed Detours**

- US 14 Detour: I-43 ↔ WIS 140 ↔ WIS 11/US 14
- Detour to WIS 89: WIS 11 ↔ WIS 50 ↔ I-43 ↔ US 14

The contractor, Rock Road Companies, Inc., is planning on completing the \$3.8 million project by this fall. The schedule of work is weather dependent and subject to change.

More information can be found on the project website at: <https://projects.511wi.gov/14walw/>
